## General Tips

1 2 3 4 5 6 7 8 9 10 11 12 13

### Tip #1

You will take ten sections but only nine of the ten will count towards your score. Three math sections, three critical reading sections, and three writing sections will count toward your score. The extra section, which will not count, could be either math, verbal, or writing. Unfortunately, you will not know which section this is. Therefore, you need to try your hardest on all ten sections.
