

CCISD Professional Learning Credit Explanations

<p style="text-align: center;">ATTENDING A PROFESSIONAL LEARNING SESSION, CONFERENCE OR IN-SERVICE (Hour for hour)</p> <p>(National, State or Regional affiliated conferences: all hours qualify for Standard Certificate Renewal.) Certificates from training outside CCISD should be uploaded into the professional learning tracking system and submitted for approval. Credit for CCISD professional learning is earned when you complete the district survey based on your workshop. District and campus presenters will upload and attach the written or electronic sign-in sheets to each workshop in the professional learning tracking system.</p>
<p style="text-align: center;">PRESENTING FOR DISTRICT OR PROFESSIONAL CONFERENCES (3 Hours for 1 hour of presenting) (Maximum 15 hours in a 5- year cycle toward the renewal of a Standard Certificate.)</p> <p>(National, State or Regional affiliated conferences: all hours qualify.) Certificates from training outside CCISD should be uploaded into the professional learning tracking system and submitted for approval. Credit for CCISD professional learning is earned when you complete the district survey based on your workshop. District and campus presenters will upload and attach the written or electronic sign-in sheets to each workshop in the professional learning tracking system.</p>
<p style="text-align: center;">DEVELOPING CURRICULUM and INSTRUCTIONAL MATERIALS FOR DISTRICT (Hour for hour)</p> <p>(District approval needed by Curriculum Coordinator. In some cases, you may be paid AND receive PL credit. Coordinator will create course in the professional learning tracking system so you may earn the credit after completing the survey.)</p>
<p style="text-align: center;">PARTICIPATING AS A DISTRICT DESIGNATED MENTOR (45 hours maximum for each 5- year cycle toward the renewal of a Standard Certificate)</p> <p>You MUST be an approved Mentor, Buddy or Lead Mentor. Mentoring staff will create session in the professional learning tracking system so you may earn the credit upon completion of Mentor Program and district survey.</p>
<p style="text-align: center;">EARNING COLLEGE CREDIT (1 college hour = 15 hours of professional development credit.) A college transcript is required and courses must be completed on own time.</p> <p>(Transcripts must be turned in to HR, but also keep a file for yourself. You should enter the courses into the professional learning tracking system to earn professional learning credit. It will be approved after you have submitted your official transcript to HR. See DMC exhibit A for information on reimbursement of credits earned toward a signed degree plan.)</p>
<p style="text-align: center;">PARTICIPATING IN NATIONAL BOARD CERTIFICATION (50 Hours Independent Study + Collaborative Sessions in the professional learning tracking system) (Informational sessions, Portfolio development, workshops, etc.)</p> <p style="text-align: center;">CONDUCTING EDUCATIONAL RESEARCH UNDER THE DIRECTION OF THE UNIVERSITY IN ATTENDANCE (90 PL Hours in a 5- year cycle toward the renewal of a Standard Certificate.)</p> <p>(NBTC: MUST keep certificate for file, submit a copy of your certificate to HR to receive the district stipend, and add the certificate to the professional learning tracking system as an outside workshop to earn credit.)</p>
<p style="text-align: center;">PARTICIPATING ON A DISTRICT OR CAMPUS INSTRUCTIONAL COMMITTEE; LEARNING WALK or CADRE (i.e. grading procedures, or textbook) (Hour for hour; Textbook committee members will earn 30 hours of PL credit) (This type of PL is not applicable to Standard Certificate renewal.)</p> <p>Credit for these activities is earned when you complete the district survey based on the activity. District and campus administrators will upload and attach the written or electronic sign-in sheets to each workshop in the professional learning tracking system.</p>
