

Course Options

The following guidelines are to be used in student placement in the District Disciplinary Alternative Education Program (DAEP):

Intermediate
Students

Intermediate students assigned to Clear Path Alternative School are given the opportunity to continue study in core courses in math, English, science, and social studies. Only regular level courses are serviced. Students enrolled in elective courses will have those courses serviced through work assigned from their home campus teacher while enrolled in Clear Path Alternative School. The home campus teacher will be responsible for packaging assignments, projects, exams, etc., for a student assigned to CPAS and send it to CPAS. Staff at CPAS will monitor the work, projects, exams, etc., and return the work product to the home campus for their evaluation and assignment of grade.

High School
Students

High school students assigned to Clear Path Alternative School will be given the opportunity to continue study in core courses in math, English, science, and social studies. Only regular level courses are serviced. Students enrolled in Pre-AP courses will be served at the regular level while assigned to DAEP at Clear Path Alternative School. Students enrolled in AP courses will be served at the regular level while assigned to DAEP at Clear Path Alternative School, and the home campus teacher shall make all reasonable efforts to provide AP enrichment work to a student who is assigned to DAEP, taking into account factors such as the length of the student's placement and the ability of the student to complete such enrichment work while enrolled in DAEP.

Students not enrolled in four core classes will have additional time assigned in elective courses at Clear Path.
