

# CCISD Visual and Performing Arts

At the beginning of the 2020-2021 school year, all VPA course offerings will be available in brick and mortar learning environments, with most of the same course offerings in the Clear Connections online program.

- Teachers and students will have the tools they need to be successful in this learning environment. Some course content may be adjusted to accommodate for software or hardware issues. To the greatest extent possible, electronic access to learning materials and platforms, including a district supplied laptop for home use, will be made available if needed.
- A guaranteed and viable curriculum is outlined in the CCISD curriculum documents which are aligned to the Texas Essential Knowledge Skills (TEKS).

## VPA Program Safety Protocols

---

### Theatre Rehearsal Guidelines

---

#### **General Information:**

- All components of the theatre program will follow CDC, TEA, UIL, TETA, and CCISD guidelines to ensure a safe learning environment;
- Campus specific plans will be publicized for the safe entry and exit of students to/from the campus daily. The entry and exit points will be coordinated to minimize personal interaction and to facilitate social distancing. The plans may include a staggered drop off and pick up times;
- All stakeholders should do a preliminary self-check by reviewing all Pre-Screening Questions prior to arriving at school. The self-check questions are listed on page 5;
- All rehearsals closed to spectators; and,
- Any Fall semester performances, and full ensemble events will be live streamed or broadcast with no audience present unless the performance is outdoors following the mask/distancing expectations.

## **Instructional Practices**

- Instruction involving singing or projection of the voice should take place in straight rows with a minimum of 6 feet between each student with mask on;
- A minimum of 3 feet between each student is required during instruction that does not involve singing or projection of the voice;
- No stadium or sloped seating without increasing the front to back space;
- When singing or projecting the voice, we recommend that each student utilize a different mask after rehearsal;
- No more than 30-minutes allowed for singing or group activities that involve projecting the voice during the allotted classroom time with 20 minutes allotted for clearing the aerosols in the room;
- Alternate rehearsal spaces when possible;
- Students should not be allowed to move around the room during singing or projecting the voice;
- No singing or projecting the voice allowed when HVAC system is not working fully;
- Additional instructional space should be provided when room capacity under social distancing is lower than the enrollment of the class;
- When possible, utilize outdoor spaces when class enrollment exceeds square footage allotment; and,
- Utilizing outdoor spaces must be approved and assigned by administrative staff; and,
- Musical productions may not be scheduled until further notice.

## **Staff Expectations:**

- The Head Theatre Director will train and communicate to all stakeholders regarding Covid-19 Protocols and Procedures for the theatre program;
- All theatre directors are required to wear a mask during instruction;
- When possible, staff members are to wear a cloth mask and shield;
- Instructors will be required to wear cloth mask when entering and exiting the facility;
- Gloves may be utilized by staff for the cleaning of all equipment;
- Chairs will be disinfected after every use by staff and secondary students;
- All required forms, syllabus, scripts, and music will be distributed electronically when possible;
- Hand sanitizing stations will be placed and utilized throughout the facility;
- When possible, the staff should assign student backpacks to be staged in assigned area;
- When possible, keep work related items at school and don't transport back and forth;
- Post Covid-19 signage provided by VPA throughout the theatre spaces;
- Require students to be dressed appropriately upon arrival, no changing facility will be available;

- Encourage and recommend that students shower and wash hair daily to help mitigate the spread. In addition, wear long hair up in a tall bun and cover it up; and,
- Keep all egress clear for evacuation if needed.

## **Student Expectations:**

- Students must wear proper mask at all times while in the theatre room, auditorium, black box, or other performance areas;
- Students must wear mask while entering and exiting the facility;
- No in person group social activities sponsored by the theatre division until further notice;
- No socializing before and after rehearsals on school property;
- All personal items must be properly stored and removed daily;
- Sharing of scripts and music will be minimized whenever possible, and students will be required to use hand sanitizer before and after handling scripts or music;
- No sharing of food and drinks;
- All theatre students will be responsible for bringing their own water supply. Sharing of water will not be allowed. All students need to bring enough water to last for the duration of the rehearsal. Each container should be properly labeled and stored. Campus ice machines and water fountains are not available;
- All equipment, costume pieces, props, tools, and accessories must be disinfected after use. Items that cannot be disinfected must be isolated for one week;
- Students should always remain 6 feet apart at all times when singing or projecting the voice and 3 feet apart for other activities;
- Shower and wash hair daily to help mitigate the spread. In addition, wear long hair up in a tall bun and cover it up;
- It is strongly recommended that individuals of different households not travel in the same vehicle; and,
- Only one student at a time will be allowed to use the restroom. Students will be required to wash their hands for 20 seconds per restroom visit. Students are encouraged to use a paper towel when opening restroom doors and immediately dispose it into a trash can located outside the restroom door.

## Booster Expectations

- No serving of water, snacks and food to students;
- All meetings must take place virtually; and,
- All booster interactions must follow staff expectations and protocols.

---

## Primary Goals of VPA

---

- Limit risk of exposure by maintaining social distancing throughout all activities conducted at the Clear Creek ISD VPA department;
- Emphasize personal hygiene such as hand washing and use of hand sanitizer upon entry and exit of facilities;
- Implement routine and enhanced cleaning and sanitization of VPA equipment and facilities; and,
- Plan and communicate safe access to facilities to minimize personal interaction and facilitate social distancing.

---

## Parent/Guardian Communication Plan

---

- Information will be provided to all parents/guardians outlining procedures and protocols that will be used within VPA programs and extra-curricular activities; and,
- Parents will be updated on changes in protocol.

---

## Covid-19 Symptoms

---

- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- Loss of taste or smell
- Diarrhea
- Feeling feverish or a measured temperature greater than equal to 100.0 degrees Fahrenheit
- Known close contact with a person who has a lab confirmed to have COVID-19

---

## Covid-19 Self-Health Assessment

---

**IF a staff member OR student ANSWERS YES TO ANY OF THE FOLLOWING QUESTIONS, YOU MAY NOT ENTER the school FACILITY AND ARE ENCOURAGED TO CONTACT YOUR PHYSICIAN.**

**THANK YOU FOR DOING YOUR PART TO KEEP our schools SAFE.**

1. Have you or anyone in the home had a fever or felt feverish (chills or shaking) in the past 3 days?
2. Have you taken any fever-reducing medication such as Tylenol or Ibuprofen in the past 24 hours for reasons related to illness or fever?
3. Have you or anyone in the home shown signs of respiratory illness (cough, shortness of breath, sore throat, loss of sense of taste or smell) in the past 10 days?
4. Have you or anyone in the home shown signs of gastrointestinal illness (recurrent nausea, vomiting, diarrhea) in the past 10 days?
5. Have you or anyone in the home had new or worsening headaches or muscle pains in the past 10 days (excluding migraines or injuries)?
6. Have you or anyone in the home had any contact with someone with a confirmed diagnosis of COVID-19 in the past 14 days?
7. Are you or anyone in the home under investigation or monitoring for suspected COVID-19?
8. \*If you have traveled outside the state of Texas in the past 14 days, please adhere to the Texas Department of State Health Services travel advisories and quarantine instructions listed on the COVID-19 webpage of its website under *Information for Travelers*.
